

**BIRDSOUNDS WORKSHOP WITH ELOISA MATHEU**

MAY 2nd to May 9th

In the Spanish Pyrenees

## Birdsounds Workshop in the Spanish Pyrenees

- An introduction to Spanish bird sounds and bird recording with professional recorder **Eloisa Matheu**.

The main focus of the workshop will be to identify Spanish bird songs and calls and how to record them.

- Eloisa Matheu is a renowned professional wildlife sound recorder with many years of experience in this field and with a considerable list of commercial CDs on the market.

The course will consist of classroom-based theoretical lessons and **hands-on practical experience** in the field.

But what do you know about the **Roncal Valley** in Spain?

Well you can get a rough idea by looking at this birding itinerary:

In few words, it's simply beautiful! High mountain peaks, green valleys, forested slopes, mountain rivers and streams, gorges....

We've kept **Isaba** and the **Roncal Valley** pretty quiet until now. Come and be one of the first to uncover its secret wild treasures!

**Really, this is a unique opportunity that you should not miss!**
